“Flavours from around the world, inspired by global travels”

Christine’s culinary philosophy centres on pure, clean flavours that are decisive and complex yet thoroughly refined. Food without borders that crosses cultural boundaries with confidence, shows respect for culinary heritage without being labelled fusion. UNIVERSAL represents a brave new world, global yet local

Our menu consists of a series of same size dishes offered as an a la carte list. These tastes include raw, salads, soups and broths, poultry, seafood, vegetables and meat. The menu does not follow the traditional or predictable entrée, main course, dessert large plate format. Each dish is complete and designed to stand alone.

The menu attempts to broaden the parameters of the dining experience. Dishes on the menu change constantly, evolving in vein of style, produce, seasons and celebratory times.

For parties of 9 or more people, we pre arrange your menu. The price is dependant on the number of tasting courses that you have. Within each course, you will have two dishes from our a la carte menu served alternatively to guests

\$90 2 savoury tastes and a dessert taste (available lunch only)
\$115 3 savoury tastes and a dessert taste
\$140 4 savoury tastes and a dessert taste

Please advise us of any dietary requirements that any guests should have so that we can accommodate

We are happy to work with you to devise a menu that best works for you.
